NATURE

There is so much to explore and discover in Nature Study this summer! A big part of Nature Study is making observations using our five senses. The campers have used their observation skills to investigate the plants, animals, and minerals around camp. The campers have been watching their wildflowers sprout from seeds and grow more and more each week. Everyone has done an amazing job welcoming all of the animals in the Nature Study cabin, and we are all excited to observe and learn about our duckling trio as they grow up!

PIONEERING

Pioneering is definitely one of the favorite activities for campers this year! We have a brand new rock wall with two sides, one featuring an obstacle the campers like trying to conquer, and another side that's a little easier but still fun for campers of all ages! We still have the cargo net, high vine, catwalk and of course our three ziplines: Thunder, Lightning, and Big Z! This year we have also used the mini zips down at the low ropes section to help get campers with a fear of heights to go on ziplines too! We ensure that all campers are extra safe with new equipment and a well-trained staff. Many campers sign up to come back to pioneering for club and all the bunks enjoy aspects of our section. We love helping campers face their fears and are excited for what's to come in these next few weeks!

-Aunt Heather and the Pioneers

Music & Dance

We have been rockin' and rollin' at music and dance this summer! Campers have been learning about instruments, playing lots of dance games, and having so much fun! All of the bunks are learning their routines for the dance recital! Everyone is having a blast and catching on so quickly. Who knew that all of our campers would be such great dancers? Besides recital dances, a lot of campers have been working on the "Disney Spectacular" musical too! They are having so much and looking forward to performing for all of their friends in weeks 6 and 8!

- Aunt Stephanie, Aunt Jackie, and all your other music & dance friends

COMPUTERS

There are an array of apparatus to play on in the computer room and each child seems to have a favorite device, whether it is a tablet, computer, Wii or X-Box systems. We have several new Wii and X-box games. The Game of Life is a new purchase for the computers and a favorite among the girl bunks. We continue to use Portaportal to help the campers find their favorite internet games. Feel free to visit it at: <http://guest.portaportal.com/arrowheaddaycamp>. Each week we upload all the bunks great photos and videos onto the camp website. Just a reminder, the earlier the campers sign up for clubs, the more likely they will be able to get the activity of their choice. We hate to see campers missing out on their first choice. We love seeing, helping and cheering everyone on when they come to computers.

HORSES

This summer we have four amazing horses/ponies; Abner, Chubbs, Little Sam, and Big Sam. All of these ponies are returners from last year and the kids are happy to see that they are back. All campers have been improving greatly since their first ride of the summer. Campers all have their favorite horses, but we try to mix up who they ride to get them feeling comfortable on different horses. Each camper has been working on specific needs that will help them better their riding skills. Whether it be steering jumping/ two-point position, trotting, all campers come and leave with a smile. On the few rainy days, we have had, the kids have also learned how to tack up the horses and have also had fun painting the horses. This summer has been very fun and we are looking forward to the remaining weeks of the camp! We cannot wait to see everyone's improvement during the remainder of the summer!

ARTS & CRAFTS II

Welcome back to another great Arrowhead summer! In Art we have been working on beading bracelets, painting name plaques, making yarn gods eyes, friendship pins and much more.

Balloon stress balls have been a hit this camp season and as always...WE LOVE GIMP. You can you tube many of the gimp stitches (box, butterfly, zipper) for tutorials. Please remember to dress appropriately when your child has art at camp. This is a very creative group of campers who love art!

BATTING CAGES

This 2017 summer has been a wonderful start at Batting Cages. Uncle Henry and I have had a great time teaching and watching all the campers hit. Every camper brings their own style of hitting to the plate, but everyone has an open mind and is ready to be taught. First we go over the rules of the cage together so we can make sure everyone stays safe while batting. We've been teaching proper stance, keeping your eye on the ball, and gripping the bat. The senior and intermediate campers have enjoyed the game of knocking plastic barrels off the fence. The game has brought on friendly competition and good sportsmanship. Our club periods are full of many different campers eager to hit the ball. In addition to hitting, campers can take a crack at the baseball trivia questions we post on the white board. Finally, we are looking forward to playing new games in the coming weeks and watching our batters grow in their skill level. As the famous call goes "Batter Up!"

CAMPER COUNSELOR DAY

On Thursday, June 29th ARROWHEAD campers had the opportunity to be ARROWHEAD Staff for the morning. PROPER FOOTWEAR AT CAMP

We are informing all of our parents that **sneakers**, and **sneakers** only are the appropriate footwear for your children to wear during our camp day. Any types of sandals, flip-flops, pool shoes etc. are not only inappropriate but also dangerous. Our campers are engaged in various activities including running, jumping, climbing etc. and sneakers are for these endeavors. Parents we ask you to use common sense and please follow our advice for the safety of your children. Thank you.

SOMETHING SERIOUS- SOMETHING SWEET!

Many campers at **ARROWHEAD** have severe food and bee sting allergies. Due to the increasing amount of campers who enjoy celebrating their birthdays at camp we have to be extra cautious. We are asking that treats be sent in for special occasions only. A popular suggestion is Munchkins from Dunkin Donuts or Soft Pretzels. We are also insisting that all food of any kind be eaten inside the air-conditioned Mess Hall. This will enable us to monitor the bees, allergies and clean-up more safely. Thank you.

NURSES UPDATE...ALL IS WELL

We are looking forward to a happy and healthy summer. The infirmery staff provides lots of TLC to all those children with bumps, bruises, splinters, tummy aches and whatever else pops up.

All medications must be sent to the infirmery in the original prescription bottle with the label intact. Please include a note stating the period of time the child should receive the medication.

Please return all medical forms as soon as possible. This is for the health and safety of all our children.

Remember to keep all of your emergency telephone numbers up to date!

***Please allow 24 hours for a response if e-mailing on a weekend**

We will be communicating with our parents by sending out individual bunk news e-mails & photos. These weekly e-mails will contain specific information for the campers bunk (upcoming special events, what to wear, and bring in, etc.) along with newsy notes and tidbits of information of the prior week. We also will be uploading weekly photos & videos of our campers in action to their individual bunk pages on the Arrowhead website. Easy access links will also be included. Our commitment to keeping parents informed of all things **ARROWHEAD** along with our high-tech connectivity keeps **ARROWHEAD** the leader among area day camps. If you are unsure whether or not you supplied us with your family e-mail address, please call us to confirm. We are capable of sending our e-mails to multiple addresses- just let us know and we will add as many e-mail addresses as you request. We will also be utilizing this method to communicate to our **ARROWHEAD** families in the rare event that should an emergency arise along with any other vital information that we deem necessary throughout the summer and the off-season. We thank you for your cooperation.

ELECTRONIC POLICY

One of the best, if not the best part, of summer camp is being able to enjoy the great outdoors. This is especially true with the winter we just had which trapped us indoors. Add to this that our children have spent so much time sitting in rows with pencil & paper and taking standardized tests, and they really need to be participating in all that **ARROWHEAD** has to offer so we respectfully request that all cell phones, mp3 players, tablets, etc. stay at home where they will be "safe & sound."
