Friday, August 11 th	LAND CARNIVAL - Rides & games all day! DJ with prizes awarded! All Award Assemblies

Director's Corner

I want to take this opportunity to express my gratitude to our campers, staff and parents; our **Arrowhead** family. This is my 26th summer at camp and I have seen it from many angles, as a camper, JC, senior counselor, color war sponsor, bus counselor, van driver, mess hall director, pool director and now transportation director. From every position, I become more and more grateful for the gift of being able to say I'm part of the third generation of Camp **Arrowhead**. Each and every single member of our community is valuable and makes **Arrowhead** the truly special place that it is. It's not just a beautiful piece of land, it's home.

In addition to my Dad, Uncle Howie, and my aunt, Aunt Ellen, it has been great getting to work with my cousin, Uncle Brian, who has always been like an older brother to me. Together we implement new ideas and try to make positive and creative additions to the wonderful camp our parents have entrusted in us. My Dad, Aunt, and cousin have been supportive and instrumental in my role as a camp director, offering guidance, love, advice and [constructive :)] criticism. This truly embodies the meaning of "family" in **Arrowhead** being a family business.

Uncle Brian and I are super excited to introduce our Counselor-In-Training (CIT) Program to commence the summer of 2018. Graduating campers will be able to train hands-on as a JC while still participating in fun camper activities, including weekly field trips. Our CIT program will greatly enrich our **Arrowhead** community and we're excited to get it started!

Every time I get a hug, smile, or laugh from a camper, it humbles me and makes me so thankful that this is going to be my career for the rest of my life. Thank you to our parents for placing your little ones in our care, and I promise you they couldn't be in better hands. **Arrowhead** is a place filled with happiness and love. My only wish is your children have the fond and indelible memories of camp when they are older as I do now. I, along with my family, am looking forward to the fun-filled remaining weeks of the season as well as every season to come!

Aunt Julie Gilbert

From Your Directors.....

JUNIOR CAMP

As the 2017 camp season begins to wind down, I am reminded of all the memories and special friends that were made throughout the summer. I have enjoyed seeing all the campers smiling faces starting at morning line-up and throughout the day at swim, Gaga, Batting Cages, and everywhere else at camp. I think about the wonderful Friday shows, such as the Reptile Show, George the Magician, and Jumping Jamie, that all the campers enjoyed. Some of the campers' favorite activities this summer were going down the zip line at Pioneering, making edible tea cups at Culinary Arts, seeing the ducks at Nature Study, and making slime at Art 1. Some special events that happened in the first six weeks were Pajamas Day, Junior Olympics, Camper Counselor Day, Backwards Day, and Sports Logo Day. This year was the second annual Junior Olympics. The Opening Ceremonies were exciting for all campers as the Olympic torch was passed around the playground. Campers represented Spain, France, England, Switzerland, Italy, and America as they competed in different events and relays. The next two weeks should be the best weeks of camp to date. We look forward to Native American Day, Halloween Day, and the exciting Sea and Land Carnival. I want to thank all the Junior Camp Staff and Junior Campers for a great six weeks together, and I can't wait to see what the next two weeks have to offer!

Aunt Carrie Chaitt – Junior Camp Director

INTERMEDIATE CAMP

As we wrap of the final few weeks of our 2017 camp season, I want to thank everyone for a wonderful summer at ARROWHEAD! The summer of 2017 was wet and wild for the Intermediate campers! Regardless of the condition, our Intermediate campers were loving everything about ARROWHEAD. Intermediate campers shined even when there wasn't any sun!!!! Once the sun joined us, it was HOT HOT HOT, and so were the Intermediate campers as they dominated the fields of ARROWHEAD! It was a great summer with leagues (alternating between soccer and GaGa), clubs, swim, pioneering, boating and fishing, nature, marksmanship, horseback riding, archery, Arts & Crafts, computers and the fabulous camp production. The Intermediate campers were kept busy all summer long, and they loved every minute of it. We had a wonderful staff, and super kids, making this summer just tops! I look forward to seeing them back on the fields of ARROWHEAD for the summer of 2018!

Aunt Kristen Cheney – Intermediate Camp Director

SENIOR CAMP

Despite some challenging weather the summer of 2017 for Senior Camp has been excellent! As we head towards the last couple of weeks it is time to reflect on what a wonderful summer this has been. I've seen tremendous Arrowhead spirit on the courts & fields, along with sportsmanship and determination. Our league seasons have been fantastic with tense competition on both the boys and girls sides. The Sixers & Flyers basketball league has featured great battles with at least three of the games going into overtime. Club Day has been great and on July 19th the entire senior camp was treated to a baseball clinic featuring several Delaware County baseball legends. It always makes me sad to know that summer is drawing to an end but there are still some wonderful events to finish off the camp season. Road Runner Races, Pentathlon, MTV Day, Bunk Competition Day and the Ice Skating Trip are still to come. I would also like to take this opportunity to thank an amazing & energetic group of counselors who have made my job easier and so much fun. It has been a pleasure to work with these incredible boys, girls and counselors and I am looking forward to the last couple of weeks!

Uncle Randy Straff – Senior Camp Director

SPORTS LOGO DAY

ARROWHEAD Campers wore their favorite team jerseys on Sports Logo Day. Some campers wore professional teams, college teams, and even their own local league teams to camp to show their pride! Uncle Brian was so happy to see so many BUCKEYES shirts represented...Maybe someday our campers will attend the universities they wore on their t-shirts! (and maybe some of them will even become professional athletes). To think it all started here on the fields of **ARROWHEAD**!

BACKWARDS DAY

Backwards Day at **ARROWHEAD** was a day of reversals! Campers dressed backwards, inside out, upside down and crazy! Bases were run in reverse, horseback riders sat backwards, and kids even walked backwards to activities! Although no one has yet mastered the art of swimming backwards, it was still a great day! Older bunks even did a counselor swap! What a day of mixed-up, backwards, inside out fun! The kids loved the silliness of the day! Everyone was straightened out by lunchtime, but we all look forward to doing it again next year!

JUNIOR OLYMPICS

The second annual Junior Olympics were held on July 24th and 25th of this year. The first day the campers participated in the Opening Ceremonies, which included the passing of the Olympic Torch and Olympic Music. The second day campers representing Spain, England, France, America, Switzerland, and Italy competed in a Photo Scavenger Hunt and relay races. After the camper competition, the counselors competed in the toilet paper mummy challenge.

Campers had fun cheering on their countries and their counselors. After a long day of competition, the campers watched as the Olympic Torch was extinguished. All campers received Olympic medals for their efforts and spirit. The two days were exciting and fun for all campers and counselors.

ARROWHEAD 2017 Bunk Picture Update

It was a terrific day back on Tuesday 6/27 when all **Arrowheaders** received their new **ARROWHEAD** t-shirts and brought their brightest smiles with them for picture day. We are currently developing all photographs. Watch your mail in mid-September, as all Arrowheaders who were in attendance that day will be receiving their 2017 8X10 glossy bunk picture. Here's to memories in the making!

PROPER FOOTWEAR AT CAMP

We are informing all of our parents that **sneakers** and **sneakers only** are the appropriate footwear for your children to wear during our camp day. Any types of sandals, flip-flops, pool shoes etc. are not only inappropriate, but also dangerous. Our campers are engaged in various activities including running, jumping, climbing, etc. and sneakers are for these endeavors. Parents, we ask you to please follow our advice for the safety of your children. Thank you.

SOMETHING SERIOUS- SOMETHING SWEET!

Many campers at **ARROWHEAD** have severe food and bee sting allergies. Due to the increasing amount of campers who enjoy celebrating their birthdays at camp we have to be extra cautious. We are asking that treats be sent in for special occasions only. A popular suggestion is Munchkins from Dunkin Donuts or Soft Pretzels. We are also insisting that all food of any kind be eaten inside the air-conditioned Mess Hall. This will enable us to monitor the bees, allergies and clean-up more safely. Thank you.

ARROWHEAD HAPPENINGS

ARCHERY

Archery has been amazing at Arrowhead this year! The Intermediate and Senior boys and girls have already shown a knack for excellent shooting by incorporating the proper firing techniques that they have learned during their weekly visit to the Archery Range. In addition to their willingness and focus to want to be the best archers at Arrowhead, each has shown the respect necessary for using the equipment by following the safety procedures while on the range. Through six weeks of camp, the Arrowhead archers have learned not only to fire their arrows with great speed and accuracy but also to use patience and resolve while aiming their arrows at different places on the target. Each camper is familiar with the three bows that we use including the Recurve, Longbow and Compound Bows. While shooting either from the archery stall or five feet in front of it (depending on the age and strength of the campers), Arrowhead archers are firing their arrows for fun and sometimes to win competitions by aiming for the target's Bulls Eye! This week is Tournament Week where campers shoot one round of five arrows each and the high scorers will earn top honors as the best archers in camp! Later in the summer, they will compete again to be Gold and Silver arrow award winners! Arrowhead has the BEST campers anywhere! GO ARCHERS!

Uncle Joel

MARKSMANSHIP

A Happy Hello from Uncle Harry! I'm delighted to bring you another year of Marksmanship! Campers are enjoying using the bull's eye and animal targets again this year. The number of awesome shooters this year is impressive. As much fun as we have, safety is most important so that the campers can continue to have fun at Arrowhead!

Uncle Harry

BOATING

The boating staff is excited to be helping kids sharpen their skills on the lake again this summer. Kids have the option to go on duck boats or paddle boats as well as learn how to use a canoe or rowboat. So far this summer, we have given out over 200 licenses to campers that have demonstrated their mastery of different boats. Additionally, we started giving out expert licenses on canoes and rowboats to campers that go above and beyond in their knowledge. We love helping the campers out onto the lake and seeing their imaginations run wild as they search for turtles and go up the island tower. In the coming weeks, we look forward to helping out in the pentathlon, superstar day, and much more!

From Uncle Rich, Uncle Nick, Aunt Sydney, Uncle Axel, and Uncle Eli

FISHING

Fishing at Camp Arrowhead is one of the most popular activities. The tranquil dock is located on the left side of Lake Arrowhead, next to boating. There is always shade and a cool breeze to make fishing pleasant and comfortable. The first time each camper visits fishing they must earn listen to Aunt Beth give her safety guidelines as safety comes first. The junior campers fish from the dock only with the help of Aunt Beth, Uncle Andrew, and Aunt Sidney. The intermediate and senior campers can fish and cast from the side of the lake and may use the nets to help catch the turtles. This year has been a great success for fishing, we have caught fish just about every period and also many turtles. Just this week a camper caught the infamous Tank the turtle, a snapper who is about 18 in in circumference and weighs about 50 lbs. He has been a legend for Camp Arrowhead for years and always makes a "splash" when sighted. There is something for fun for everyone at fishing.

Aunt Beth Hale

TENNIS

The 2017 summer at Arrowhead has been filled with forehands, backhands and the basics of the wonderful sport of tennis. Each day, Uncle Andy and Uncle Adam have been working with campers of all ages to improve their tennis strokes with lessons on technique and skill. Watching their improvement each week has made us very, very proud! Once the lessons have been completed, we have continued to play enjoyable games highlighted by "Jailbreak." In addition, we have played "King of the Court." While the games have been fun, the strokes and techniques we have worked on all summer have been put to use in yet another way. We have enjoyed getting to know your wonderful campers! From Uncle Andy and Uncle Adam, we offer a huge shout-out to Uncle Brian and Co. for allowing us to teach these fabulous campers the great game of tennis!

Uncle Andy and Uncle Adam

ARTS & CRAFTS I

As usual we are having so much fun in Art I. We have made some amazing projects this summer from Gimp and of course Perler Beads and I can't forget our most exciting project of all making SLIME..... (Sorry Parents). I love to see the kids get so involved and put so much effort into their projects. Tie Dye week we all brought in shirts or pillowcases to design and it was a messy but fun time. Also, the Sapphires will paint their panels on the street hockey court and the ceiling tiles in Art I. We still have a few fun things planned for our Junior campers as well. I am so grateful to be a part of the Arrowhead Family and I can't believe our summer is almost over.... Thank you all for another Amazing Summer!!!!

Aunt Jaime

GYM / PE

This summer at Arrowhead, campers have been playing different games to incorporate teamwork and skill development. In the first few weeks, Junior Camp played various tagging games such as "Pirate Island". Intermediate and Senior Camp played a few different games such as "Ultimate Frisbee", "Four Square" and "Kick the Can". All of these games provided the children the opportunity to increase their fitness, spatial awareness and communication. We also spent two weeks learning skills in Gymnastics. The children had the chance to learn and practice on the balance beam, rings and uneven bars. I cannot wait to finish out the end of summer with some great games with some great children!!

Aunt Liz

CULINARY ARTS

Culinary Arts this summer has been filled with tasty treats for all to enjoy! We have made everything from healthy rainbow pinwheels to sweet sugar cookie truffles. Along the way we are reading stories and learning how food and friendship go hand in hand. All of our recipes are fun, kid-friendly and easy to make at home.

All of our campers – from the smallest Squabs to the sparkling Sapphires, are having a great time making delicious delights and sampling our terrific treats. We love sharing our kitchen tips and tricks, and filling hearts and bellies as we go!!

Aunt Ruth

DRIVING RANGE

Driving Range at Arrowhead this summer has been awesome! We started off with golf safety and the proper technique of golf swings. After week 1, we challenged the campers by incorporating competitive games in which they were tested with distance and accuracy. The campers were put on teams for most of our competitions, it brought out the importance and value of teamwork and communication. Each week the campers improved on their swings and enjoyed the challenge of competing against one another. Tournament week will be a true test to see which camper can consistently hit the ball with distance and accuracy. I can't believe summer is almost over! Thank you so much for sharing your children with us. They have been great listeners, fun to work and play with.

Uncle McNeil Wrice

ELECTRONIC POLICY

One of the best, if not the best part, of summer camp is being able to enjoy the great outdoors. This is especially true with the winter we just had which trapped us indoors. Add to this that our children have spent so much time sitting in rows with pencil & paper and taking standardized tests, and they really need to be participating in all that **ARROWHEAD** has to offer so we respectfully request that all cell phones, mp3 players, tablets, etc. stay at home where they will be "safe & sound."

UNCLAIMED CLOTHING

Unclaimed clothing and other belongings left behind after camp ends will be on display from Saturday, August 12th through LABOR DAY in our Arena area in the playground. Please feel free to take a ride out anytime and browse through these items- you may find what you've been looking for!

MENU

Monday 7/31

VEGGIE QUESADILLAS

Cheese, red & green peppers
Fiesta Salad
Fruit Cocktail

Tuesday 8/1
