# Director's Corner

What a crazy unprecedented year! With the winter months upon us, we at Arrowhead are dreaming of warmer weather and more normal days ahead! This past summer was a herculean task for both my staff and I. When we finally were told on Memorial Day that we would be permitted to be open, we scrambled to implement all of the protocols that were placed upon us. Thank you to all of our parents who decided to entrust that we were providing a safe summer experience for their children. It ended up being the most rewarding summer that I have ever been involved in and was fantastic to see the campers smiling, laughing and playing after months of lockdown.

Our campers deserve another great summer at Arrowhead. I am amazed by the resiliency and flexibility that they possess. So much has been forced upon them with their sports being cancelled, birthday parties postponed and hybrid learning. Our children have been amazing during this time and have helped us all get through this year. They deserve to have their lives back and we are proud that they get to spend their summer with us.

We know we have brighter days ahead and we are so excited for them. Our focus this year will again be the safety and well being of all of our staff members and campers. We have all of the same protocols that were effective and helpful last summer ready to go for this one; however, we are hoping that as more and more people are vaccinated we will get closer to normal life and hope to have as close to a normal summer this year. We will be continually reviewing guidelines but will not be making any official changes until May when we are notified by the health department.

Everyone stay safe and we can't wait to see you all again in June!

Yours for better camping-

Uncle Brian Witt

## Junior Camp

Happy New Year to all the campers and counselors in Junior Camp! The summer of 2020 was the most unique summer in camp history. It was such a pleasure to see all the Junior Campers smiling faces throughout the summer. I know how important attending Arrowhead was to all of the campers who had been attending virtual school for 4 months. The Junior Campers especially loved going down the Waterslide, learning about science at Nature, and performing their talents a Music & Dance. Even though we were not able to have the annual Sea Carnival, the Camp Show, or Land Carnival, campers still had a blast the last week of camp. Junior Campers participated in Field Events, Swim Relays, and Award Ceremonies. I want to thank my amazing Senior Counselors, Junior Counselors, and CITs for all the hard work they put in to make sure every camper was safe and happy. Most importantly, I want to thank all of the Junior Campers for making the summer feel like a typical Arrowhead summer. When I would talk to the campers I would forget there was a pandemic. I am grateful for these moments throughout the summer. Have a great rest of your school year, and we will see you in just a few more months! I can't wait to see what the Summer of 2021 has in store!

AUNT CARRIE CHAITT ☺

## Intermediate Camp

The summer of 2020 was the summer that flew by in an instant, yet lasted a lifetime. It is a summer that will certainly never be forgotten! What has stood out the most for me when I think about the summer is the fact that these kids, our ARROWHEAD campers, had fun regardless of every situation that they were put in. They showed up, and did what kids do best... they played! They played hard all summer, and they were able to make the summer one to remember. With masks, yes.... Sanitizing at every station on the grounds, yep...Only playing with the kids in their own bunk, yes to that too.... But somehow they were able to grin (behind those masks) and continue to be the kids that they are. As directors (and off season teachers) these kids were an inspiration to all of us and made our job so fulfilling during the summer of 2020. We were still able to be a part of all that ARROWHEAD has to offer in the pools, the lake, on the fields, on the courts, and at every specialist activity that had to adjust to outside tables and no contact lessons. We did it, and we will continue to do it as each new summer brings new challenges and new friends. We can only look back with pride, and forward with anticipation to another amazing summer at ARROWHEAD. I can't wait to see you all during the summer of 2021. I know that it will be amazing!

AUNT KRISTEN CHENEY ☺

## Senior Camp

As I sit here on a warm January day in Mt Pleasant, South Carolina, my mind reflects back to the summer of 2020- the craziest summer I have ever been through in my 40+ years at Camp Arrowhead. In June, Covid had us all wondering if we were even going to be able to make it safely through the summer. By August, we looked back on what we accomplished and I think it made everybody proud. We came together, took on the challenge, and made an unforgettable summer for the Senior Camp.

From Day 1, things were different. No leagues. No club day. No Color War. A totally refigured lunch period. And despite all that, the amazing Senior Camp showed why we are the best. We took on the challenge, and with the help of our amazing campers, and dedicated counselors and junior counselors we not only survived, but thrived in the summer of 2020. Each counselor guided his/her own bunk for the entire 7 weeks. Each bunk did their own thing, organized their own games and bonded together. It was incredible to watch all of us start off unsure of what the future would bring and together mold it into another wonderful Arrowhead summer.

This couldn't have been done without the work of our amazing counselors, who showed up to work every day to take on the challenge. They followed the protocols and kept the kids safe and happy. I am so grateful to have had Uncles Kyle, Chris, Shane and Andrew, and Aunts Tori, Jessica, Ansleigh, Sophia and Allison working with the kids this summer. Also. A special thanks to the senior camp JCs and CITs for stepping up and providing the guidance, leadership and friendship to guide these kids through a difficult summer and make it normal for them. Finally, a special thanks to all the kids of the 2020 Senior camp. You are the reason we all do this and seeing the smiles on your faces makes it all worthwhile!!

Enjoy the rest of your school years and I can't wait to see you all in the (hopefully, normal) summer of 2021!!

## TRANSPORTATION

This year was definitely one where, to use a vehicular metaphor, the wheels could have come off. Fortunately, we had moved from a completely analog system of using maps and quadrants, as well as historical data, to complete our routing process, to an interactive digital process. From late April right up to the first day of Camp, and even well into the Camp season, we had to make adjustments to our routes on an almost daily basis due to an unprecedented number of changes in enrollment. Our incredible and highly professional Bus Drivers, Bus Counselors, and Van Drivers took all of these changes in stride, implementing them flawlessly. Our coverage area ran from Coatesville to the West to Philadelphia in the East, from Wilmington to the South to Phoenixville to the North, yet through the use of our ten Full Size buses and thirteen 15-Passenger Vans, we were able to keep travel times to a minimum. We also cannot properly thank all of our Families for adjusting to all of these changes. Your support in having your Campers ready and waiting at the predetermined time allowed us to complete our mission successfully.

We sincerely hope that all of you join us in looking forward to another successful year in 2021!

UNCLE STEVE HOUESHEL

## FOOD FOR THOUGHT

This summer was one like no other in the kitchen this year! We had to go from serving everyone family style, to a take-out model to follow all health and safety guidelines. Luckily our wonderful staff was up to the job! All campers had their food served in individually wrapped containers so that they were the first and only ones to touch their food. Plexiglas was all around the mess hall, staff ate outside and only 7 bunks were in the mess hall at one time opposed to 10 last year. But with all the changes it was still great seeing our happy campers eating and drinking everyday! We served our healthy options like salad, yogurt, turkey hot dogs, baked potato and hard boiled eggs everyday and it would not have been possible without our wonderful chefs Aunt Joanne, Debbie and Melissa and our kitchen kids with AJ, Eric and Anthony. We are so excited for this year and having a brand new air conditioner to keep our campers even cooler than last year! Can't wait for the summer and hopefully so more normalcy for all of us here at Arrowhead!

AUNT JOANNE MULHOLLAND

## AQUATIC UPDATE

As the approach of the 2021 summer season nears, **ARROWHEAD'S** pool staff is feeling the anticipation of another fabulous summer. The swim schools are awaiting the arrival of new and returning swimmers and the water slides and diving boards are hoping to see the excited faces of all those Deep Water Swimmers. The instructional morning program uses the best teachings & techniques from the American Red Cross. We have 10 swim schools; teaching strokes from beginner through intermediate and up to advanced. As children progress through our system, swim cards are mailed home to show parents the skills mastered by your child. Children use their skills learned in the morning during afternoon swim, which is filled with fun as our intermediate and advanced swimmers use the water slides and diving board. Beginning swimmers gain confidence as they see how much fun the water can be. We especially enjoy club periods where campers come to play fun games with our lifeguards. The addition of swim group bracelets continued to be a hit! Keep safe and stay well. See you very soon!

## CITs

One of the greatest challenges we had during the summer of 2020 was continuing our CIT Program, despite the restrictions put on us by Covid-19. We were not able to go on any trips and we were not able to visit any other camps. However, despite that, we still had an excellent summer full of learning and fun. The CITs spent more time with the bunks than years past and it really paid off. I saw each one of these young people grow, both as counselors and human beings. They took on the challenges of a Covid summer headfirst, and because of their abilities to do that, I am convinced it will make them better junior counselors and more compassionate and caring people. Obviously, we hope and pray that the summer of 2021 will allow us to return to a normal CIT program, with trips, games and friends being able to spend time with one another. However, it won't change the fact that the CITs in the summer of 2020 got the opportunity to be part of a unique, unprecedented experience and they shined!!

## 6<sup>th</sup> Annual AL GILBERT Commemorative Founder's Award

To the senior campers who best represent what **ARROWHEAD** is all about. The nominees this summer were:

<b>EAGLES:</b> Xavier Gutowski	<b>EMERALDS:</b> Aubrey Goldblatt
<b>PHILLIES:</b> Matt Garcia	<b>OPALS:</b> Mikhyela Vessal
<b>FLYERS:</b> Steven Kaminsky	<b>PEARLS:</b> Sarah Litz
<b>SIXERS:</b> Andrew Wald	<b>SAPPHIRES:</b> Bella Kaminsky

And the WINNER was.... **Aubrey Goldblatt of the EMERALDS** for her exemplary campership; his essay below was judged the best by our directors.

### **QUESTION # 1): What does **ARROWHEAD** mean to me?**

It's a place where I can do lots of fun stuff and it's a place where I can make friends, and **Arrowhead** is a special place to do lots and lots of things, and it's one of my favorite places to be! And my dad came here when he was little, so sometimes I think of him as a kid playing here, so that also makes **Arrowhead** fun.

### **QUESTION # 2): What can I do to make **ARROWHEAD** a better camp?**

I can respect people, I want **Arrowhead** to be a place where everyone is nice to each other, and treats people the way they wanna be treated and that's what I do. I don't want people to be mad or sad. I want them to be happy. A Child's Paradise can also mean happiness, and if people are kind, they can have more friends and everybody can be happy!

***OUR SINCEREST CONGRATULATIONS TO AUBREY! WE ARE ALL  
EXTREMELY PROUD OF THIS SPECIAL ACCOMPLISHMENT!***

## COLOR WAR

Color War at Arrowhead this year had a whole new look due to COVID 19 and some of the limitations that we just couldn't work around. That being said, we didn't fail to recognize the importance of Color War to our oldest campers, and we wanted to recognize those that were chosen as Kings and Queens for the summer of 2020. While we were unable to have our whole camp celebration with games, challenges, marathon, swim relays, and culminating song fest... we still did have celebrations in our two oldest bunks as they set aside the normal Color War Week and competed within their bunks. Congratulations to Keira Cheney, Chloe Friedland, Aaron Law, and Caden Shuster as well as the rest of the Sapphires and Sixers for participating in Color War 2020. We are proud of all of you, and we were thrilled that you could keep a camp tradition alive in even the craziest of times!

### 2020 Kings & Queens

**GREEN:**

**QUEEN: Chloe Friedland**

**KING: Caden Shuster**

**WHITE:**

**QUEEN: Keira Cheney**

**KING: Aaron Law**

## MTV DAY

Despite social distancing and masks, the annual tradition of MTV Day went on as usual from the Ampitheatre. However, this strange summer also brought a strange result. For the first time in many years, the Sapphires did not win MTV Day. In a monumental upset, the Opals captured this year's title proving that with hard work and dedication, dreams do come true.

# Road Runner Race

Our annual Roadrunner Race looked a little different for the summer of 2020, but we still managed to have a great time with winners for every bunk and camp division. This summer, each bunk ran route as a bunk. Counselors timed all interested campers. Everyone's time was collected and compared with the rest of the scores for their camp division. This system allowed us to run, but run safely. Congratulations to all of our winners!

Once again, the Pentathlon proved to be one of the highlights of the end of the summer. The Pentathlon is a true test to even the most well tuned athletes. The competition includes a series of events...swimming, running and boating. The participants began their journey at Uncle Dave's pool where they swam two laps. They then ran towards the lake and competed on the canoe course. Once the boats docked the participants then ran to Uncle Joel's Archery range to compete before the winner was decided at Uncle Rob's Marksmanship range. As usual, the races were unbelievably close and a big congratulation goes out to all of the competitors for a job well done!
