Director's Corner

If you are anything like us here at **Arrowhead**, you may already be thinking about summer time. As the cold winter is upon us, we often dream of the warmth of summer and the good times we have had at Arrowhead Day Camp. But more importantly, we look forward to the good times AHEAD at **Arrowhead**.

Camp is a place where kids can unwind, play and just be themselves while enjoying the great outdoors. Parents get to relax knowing that their children are having fun and more importantly are safe and being taken care of. As we sit here now in the middle of winter, who doesn't dream of jumping into a crystal clear pool or zipping down a zip line? I know we at **Arrowhead** do and cannot wait to see your smiling faces once again as our campers are what we miss the most.

The most amazing aspect of camp, that we at **Arrowhead** see, is the everyday accomplishments of our campers. From the Cub who goes down the zip line for the first time, the Chief who hits his first bull's-eye at Marksmanship, to the Emerald who finally catches her first fish, or to the Sixer who hits his first homerun. Each day we get the privilege of watching your children grow and change for the better and develop more confidence everyday as the play here at **Arrowhead**.

But even more amazing than the daily change of our campers, is the yearly change when our campers come back after a long, hard school year. We are always amazed by how big some of you have gotten and how different you often look. We wait all year to see you again and it is what gets us through the long winter; months to see your smiling faces once again. So study hard, do well in school and know that we are thinking about you always and cannot wait to see you again.

"there's no place like camp".....ARROWHEAD in 2022!!!!

Yours for better camping-

Uncle Brian Witt

FROM YOUR DIRECTORS

Junior Camp

Happy New Year to all the campers and counselors in Junior Camp! I hope everyone is having a great school year and is looking forward to the summer of 2022. Last summer, junior campers were able to take advantage of camp even more than the summer of 2020. Just like during the summer of 2020, last summer Arrowhead brought back normalcy and comfort during an abnormal school year. The Friday Shows were back, and the junior campers loved listening and dancing to Silly Joe, being amazed by the magic of Poly, and laughing along with Puppets Pizzazz. One of the activities that we could not do last summer, but we could this summer, was Culinary Arts. Junior Campers enjoyed making pizza sushi, indoor s'mores, and fruit filled pastries. I know a lot of Junior Campers even made these same recipes at home with their families. For a short period of time, we were even able bring back bunk on bunk activities at Junior Athletic Field, the arena, and kickball.

Last summer it was especially nice to see our Junior campers have some milestones, such as catching their first fish, going down the zip-line for the first time, or getting their first hole in one. Many of our campers enjoyed the junior camp special events, such as Halloween Day, Native American Day, Pajama Day, and the Junior Olympics. The final weeks of camp brought us even more special events, like the Road Runner Race, the Awards Ceremony, the Land and Sea Carnivals. This past summer wouldn't have been the same without our incredible CIT's, Junior Counselors, and Senior Counselors. They worked so hard to make sure all our campers were happy and safe. I look forward to the summer of 2022, which will bring us even more smiles, laughter, and joy. Have a great rest of your school year, and see you in just a few short months!

AUNT CARRIE CHAITT ☺- JR Camp

Intermediate Camp

The summer of 2021 was our first step back to a normal ARROWHEAD summer. While last year had many changes, this year we were able to do so much more with what we had. Granted, many of our social distancing protocols were still in place, but the campers were able to experience so much more of what ARROWHEAD really is all about. ARROWHEAD represents fun and friends, and our campers were able to make new friends, continue relationships with old friends, and have fun all day long! We played on the fields, paddled on the lake, swam in the pools, and spent our days playing, learning, playing and learning through it all. We were even able to bring back our ARROWHEAD production with our very own version of Frozen. These kids were resilient through it all, and welcomed each new thing that we were

able to bring back to the table. We are very much looking forward to the summer of 2022, where we know that we will be one step closer to the ARROWHEAD that you all remember from before the pandemic. It will be an amazing summer! Keep counting down those days on your school calendar, because ARROWHEAD is waiting for you right around the corner!

AUNT KRISTEN CHENEY ☺ INT Camp Director

Senior Camp

The summer of 2021 was a great rebound summer. Last year covid restrictions put a stop to almost everything we tried to do. This past year, despite some restrictions still in place, we managed to get back to some of the activities that make Arrowhead great. The return of Leagues, Club Day, Pentathlon and MTV Day excited both the kids and the staff. We slowly got back to the way things should be, and I couldn't have been happier!

Leagues were competitive and tense. It was great to see the camper's spirit of competition and sportsmanship return. Club Day allowed the campers to revisit activities they love or get to try activities they usually don't get a chance to go to. It was just fantastic to see everyone enjoying themselves.

We couldn't have done any of this without our amazing staff and campers. A special thanks to Aunts Jen, Bella, Morgan and Angie and Uncles Chris, Jerry, Shane, Scott and Mike for their tremendous dedication to both the camp and campers. One again, this was a difficult year and their love for the kids and desire to make Arrowhead the best camp around was evident. Finally, a special thank you to the campers! YOU are the reason we do this and your smiles and joy show how great this all is when we all work together!

Enjoy the rest of your school year and we can't wait to see you all in the summer of 2022!

TRANSPORTATION

2021 was another challenging year for transportation, but with the support, cooperation, and flexibility of everyone involved, it was also a successful year! With over 600 CAMPERS to be safely transported between their homes and ARROWHEAD, we needed to greatly increase the number of vehicles over what we had last year. Our fleet consisted of 17 Vans, 12 72-passenger school buses, 1 28-passenger bus, and a 9-passenger minibus. One of the challenges we faced was securing the 17 vans. Due to the "chip shortage" that affected the entire automobile industry, we had to use 4 different vendors to secure those Vans, and even with that, not all of them were of the 15-passenger variety. This meant that we were rotating vehicles through various routes on an almost weekly basis. Fortunately, our incredible DRIVERS and MAINTENANCE CREW made all of those changes seamless.

We were also limited in the number of 72-passenger buses we could acquire. Normally this would have resulted in excessively long rides for many of our CAMPERS. However, with the introduction of our "Bus Stop Option," we were able to greatly reduce the number of stops required on many of our routes. This option provided PARENTS with a TUITION DISCOUNT if they would meet the bus at the home of a nearby CAMPER rather than requiring a separate stop at each home. This meant that on one of our routes we were able to cut the number of stops by 60%, greatly reducing travel time. The "Bus Stop Option," along with the TUITION DISCOUNT will be offered again for the 2022 season, so we encourage PARENTS to take advantage of it.

UNCLE STEVE HOUESHEL FOOD FOR THOUGHT

This summer was one like no other in the kitchen this year! We had to go from serving everyone family style, to a take-out model to follow all health and safety guidelines. Luckily our wonderful staff was up to the job! Plexiglas was all around the mess hall, staff ate outside and only 7 bunks were in the mess hall at one time opposed to 10 during normal times. But with all the changes it was still great seeing our happy campers eating and drinking everyday! We served our healthy options like salad, yogurt, turkey hot dogs, baked potato and hard boiled eggs everyday and it would not have been possible without our wonderful chefs Aunts Joanne M, Debbie and Joanne S. and our kitchen kids with AJ, Michael, Chris and Anthony. We were so excited for having a brand new air conditioner to keep our campers even cooler than last year! Can't wait for the summer and hopefully so more normalcy for all of us here at Arrowhead!

AUNT JOANNE MULHOLLAND

AQUATIC UPDATE

As the approach of the 2022 summer season nears, ARROWHEAD'S pool staff is feeling the anticipation of another fabulous summer. The swim schools are awaiting the arrival of new and returning swimmers and the water slides and diving boards are hoping to see the excited faces of all those Deep Water Swimmers. The instructional morning program uses the best teachings & techniques from the American Red Cross. We have 10 swim schools; teaching strokes from beginner through intermediate and up to advanced. As children progress through our system, swim cards are mailed home to show parents the skills mastered by your child. Children use their skills learned in the morning during afternoon swim, which is filled with fun as our intermediate and advanced swimmers use the water slides and diving board. Beginning swimmers gain confidence as they see how much fun the water can be. We especially enjoy club periods where campers come to play fun games with our lifeguards. The addition of swim group bracelets continued to be a hit! Keep safe and stay well. See you very soon!

POOL DIRECTORS

CITs

This past year's CITs were fantastic. Their ability to work with the kids and grow and mature in the face of a pandemic was just awesome. We had the opportunity to get to all of our scheduled trips in and that was great. They handled their bunks beautifully and I watched them become better JCs and more importantly, better people. Many of them were immediately put into positions of authority and they did such a great job with that. The counselors loved their CITs and the campers adored them. I was so impressed at how they all picked up the job and ran with it. We had the opportunity to do some training but most of the positive results were because of their dedication and love of Arrowhead. I am confident that when they all come back as JCs next year they will be tremendously prepared for the job. Good luck to all of you this school year and see y'all in the summer of 2022!!

7th Annual AL GILBERT Commemorative Founder's Award

To the senior campers who best represent what **ARROWHEAD** is all about. The nominees this summer were:

PIRATES: Ti DiGiulio	EMERALDS: Sydney Moritz
EAGLES: Troy Stevenson	OPALS: Aubrey Goldblatt
PHILLIES: Luka Chowansky	PEARLS: Samantha Weingartner
FLYERS: Jonathan Rubin	SAPPHIRES: Libby Garthwaite
SIXERS: Tyler Graff	

And the WINNER was.... **Libby Garthwaite of the SAPPHIRES** for her exemplary campership; his essay below was judged the best by our directors.

QUESTION # 1): What does **ARROWHEAD mean to me?**

Arrowhead means to me my happy place. It's where I have some amazing friends, and amazing people around me. When I'm at **Arrowhead**, I feel like I have no worries, they all melt away. All of the activities are so fun, and everything about **Arrowhead** makes me happy. I don't know what I'd do without it. It's very valuable to me.

QUESTION # 2): What can I do to make **ARROWHEAD a better camp?**

So things I can do to make **Arrowhead** a better place are doing what I've been asked, helping out whenever I can, picking up trash, even if it's not mine, being kind to everyone, and cleaning things up, even if they aren't mine.

***OUR SINCEREST CONGRATULATIONS TO LIBBY! WE ARE ALL
EXTREMELY PROUD OF THIS SPECIAL ACCOMPLISHMENT!***

SPECIAL EVENTS

COLOR WAR

We will save all of our plans to make Color War 2022 amazing for everyone. Special thanks to Aunt Jen and Uncle Scott of the Sapphires and Sixers for really pulling out all the stops for our campers!

PENTATHLON

Once again, the Pentathlon proved to be one of the highlights of the end of the summer. The Pentathlon is a true test to even the most well tuned athletes. The competition includes a series of events...swimming, running and boating. The participants began their journey at Uncle Dave's pool where they swam two laps. They then ran towards the lake and competed on the canoe course. Once the boats docked the participants then ran to Uncle Joel's Archery range to compete before the winner was decided at Uncle Rob's Marksmanship range. As usual, the races were unbelievably close and a big congratulation goes out to all of the competitors for a job well done!
