NATURE

The Nature specialty at Arrowhead is a place of learning, curiosity, furry and scaly friends, and most importantly... fun! Each day, campers learn about the world around them and the creatures that inhabit it, all while taking strides to help our environment. This year, we have two guinea pigs, two rabbits, a leopard gecko, and a green cheeked conure parrot; all of which are adored by staff and campers alike! In the past two weeks, kids have planted hundreds of sunflower seeds, are watching the process of metamorphosis before their very eyes as we nurture caterpillars into butterflies, and have competed in a campus trash pickup to keep our environment clean. At Arrowhead, kids are learning how to be responsible advocates for our Earth, and are building lasting friendships along the way.

PIONEERING

Greetings Arrowhead families! It's been an awesome first couple weeks at Pioneering and I can't believe we are almost halfway through the summer already. Something that makes Pioneering a great camp activity is that we have so many different options with so many varied levels of difficulty, campers can spend the whole 8 weeks trying new things and still set goals for when they come back next year! Just to give you an idea, here's a rundown of what kids can choose from everyday (weather permitting) at Pioneering: 3 separate zip lines, high ropes, which consists of a variation of classic wall climbs, a cargo net climb, the Cat Walk, and finally our most challenging High Vine - also known as 'heebie-jeebies' For those times that high elevation and belay style climbing don't seem like fun, we have an obstacle course which is made up of over 10 distinct low ropes climbing structures. While some may believe that 'low ropes' means an easier activity, elevation is not how we measure difficulty at Pioneering. Our entire team has been blown away with the courage and determination of our campers this summer. I am so excited to be spending my first Arrowhead summer at Pioneering, where there is a challenge for everyone!

Music & Dance

It's been a hot summer for the country but at Music and Dance we are cool as can be getting ready for the camps production of "Frozen". The cast and crew are ready to "Let it Go" on week 8 of camp "In summer". On week 6 the bunks will be ready to put their dancing skills to the test with our camp recitals, from "Shake it Off" to "Watermelon Sugar," and more! Every bunk has their own special dance to show off. It makes our job super fun having so many talented campers this year at Arrowhead.

Uncle Jonathan, Aunt Jen and Aunt Ellen

COMPUTERS

There are an array of apparatus to play on in the computer room and each child seems to have a favorite device whether it is a tablet, Wii, or X-Box. Each week we upload all the bunks' great photos and videos of the children having fun onto the camp website. We love seeing, helping, and cheering everyone on when they come to computers.

HORSES

Welcome to horses! Aunt Samantha, Aunt Lauren, Aunt Toni, Aunt Annie, Aunt Emma and Uncle Allen are so excited to be working with your kids! We have 5 horses, Max, Rollie, Abner, Pistol and Gopher. Everyone is working hard this summer and we are working with the kids on how to ride by yourself and the basics of horses and horse care. Even on those rainy days, we love seeing the kids at the barn, so they can paint the horses and give them baths! We love seeing all the happy faces that are excited to ride each day!

ARTS & CRAFTS II

Hello Arrowhead friends and families,

This summer at the art cabin you will find a self-service gimp station. Come on by and cut some gimp to go! Many of our campers are learning either the zipper stitch or box stitch. We also have been busy creating bracelets and necklaces out of a variety of beads! Rainbow loom rubber bands are very popular this summer as well! Some campers are learning to braid, too! We have been painting and also building with popsicle sticks. Some club friends have made stress ball fidgets out of balloons. We will be doing some weaving and sewing as well. We look forward to week 6 when we will be tie dying our shirts and pillow cases at camp. It's always a blast at the art cabin!

Aunt Robin

BATTING CAGES

We're having a blast this summer in the batting cages! We have kids of every skill level from beginner to major leaguer but fun is priority number one. And there's plenty of that. Waiting for your turn to jump in a cage? We're warming up in the field with big games of kickball and whiffle ball. We're looking forward to the rest of the summer no matter how hot it gets because the forecast here at Arrowhead calls for fun and home runs!

CAMPER COUNSELOR DAY

On Thursday, July 8th ARROWHEAD campers had the opportunity to be ARROWHEAD Staff for the morning. Counselors traded places with campers, carried clipboards, and helped lead activities while counselors had the opportunity to play along and be a kid! It was a great day!

SPORTS LOGO DAY

ARROWHEAD Campers wore their favorite team jerseys on Sports Logo Day. Some campers wore professional teams (lots of Super Bowl champ Eagles shirts), College teams, and even their own local league teams to camp to show their pride! Uncle Brian was so happy to see so many BUCKEYES shirts represented! Maybe someday our campers will attend the universities they wore on their t-shirts! (And maybe some of them will even become professional athletes). To think it all started here on the fields of ARROWHEAD!

PAJAMA DAY

Who says you can't wear your pajamas to camp? Another Arrowhead tradition allows campers to wear their pajamas to camp, hear stories from their counselors, and even enjoy a midmorning breakfast in the Playground. Everyone looked comfy and happy in their pajamas, even the counselors! It was a wonderful morning in Junior Camp that day!

HALLOWEEN DAY

Halloween in July? Only at Arrowhead Day Camp. Junior Campers wore their favorite Halloween costumes from princesses to super heroes. All of Junior Camp enjoyed creating spider crafts! It was a spooky time by all!

Any types of sandals, flip-flops, pool shoes etc. are not only inappropriate but also dangerous. Our campers are engaged in various activities including running, jumping, climbing etc. and sneakers are best for these endeavors. Parents we ask you to use common sense and please follow our advice for the safety of your children. Thank you.

We are looking forward to a happy and healthy summer. The infirmiry staff provides lots of TLC to all those children with bumps, bruises, splinters, tummy aches, and whatever else pops up.

All medications must be sent to the infirmiry in the original prescription bottle with the label intact. Please include a note stating the period of time the child should receive the medication.

We will be communicating with our parents by sending out individual bunk news e-mails & photos. These weekly e-mails will contain specific information for the campers' bunk (upcoming special events, what to wear, and bring in, etc.) along with newsy notes and tidbits of information of the prior week. We also will be uploading weekly photos & videos of our campers in action to their individual bunk pages on the Arrowhead website. Easy access links will also be included. Our commitment to keeping parents informed of all things **ARROWHEAD** along with our high-tech connectivity keeps **ARROWHEAD** the leader among area day camps. If you are unsure whether or not you supplied us with your family e-mail address, please call us to confirm. We are capable of sending our e-mails to multiple addresses - just let us know and we will add as many e-mail addresses as you request. We will also be utilizing this method to communicate to our **ARROWHEAD** families in the rare event that an emergency should arise, along with any other vital information that we deem necessary throughout the summer and the off-season. We thank you for your cooperation.

ELECTRONIC POLICY

One of the best, if not the best part, of summer camp is being able to enjoy the great outdoors. This is especially true with the winter we just had which trapped us indoors. Add to this that our children have spent so much time sitting in rows with pencil & paper and taking standardized tests, and they really need to be participating in all that **ARROWHEAD** has to offer, so we respectfully request that all cell phones, mp3 players, tablets, etc. stay at home where they will be "safe & sound."
