Director's Corner

As our 67th camp season comes to an end, we want to thank our campers, staff and parents for a wonderful, successful, fun-filled 8 weeks!

Camp gives kids a world of good! It keeps our campers involved, active, social and happy! Every day is met with new challenges and accomplishments!

There is nothing better than watching your children grow up in front of our eyes! Their laughter and smiles are the absolute best!

Camp develops:

- Lifelong skills
- Promotes independence
- Makes time for play
- Teaches teamwork
- Teaches resiliency
- Provides fun, screen-free activities
- Encourages a connection with nature
- Fosters growth

There is something magical about a summer camp experience!

From the bottom of our hearts we want to thank you for sharing your children with us. We enjoyed every day and can't wait for the summer of 2023!

Yours for better camping,

Brian Witt

From Your Directors.....

JUNIOR CAMP

I can't believe there are only two weeks left of camp this summer! Junior Camp has been keeping so busy all over camp. This summer Junior Campers enjoyed getting hits at batting cages, making delicious treats at Culinary Arts, and going out on a boat at the lake. Many Junior campers were so proud to move up in their swim group, get their first hole in one at mini golf, or go down the zip-line for the first time. Some of the special events Junior Campers participated in this year were Halloween Day, Pajama Day, and the Junior Olympics. The children and counselors loved coming to camp in their pajamas and their Halloween costumes. Our Junior Campers always look forward to our Special Friday Shows, including performances from the Juggling Hoffmans, Silly Joe, the Insectarium, and the magical Eddy Ray. The next two weeks will bring even more special events, like the Roadrunner Race, Native American Day, and the Sea and Land Carnival. This summer wouldn't be complete without our incredible CITs, Junior Counselors, and Senior Counselors. They work so hard to make sure all our campers are happy and having fun. I know the next two weeks will bring even more smiles, laughter, and joy.

Aunt Carrie Chaitt – Junior Camp Director

INTERMEDIATE CAMP

I say it every year, but this summer has definitely flown by. If I could make it last longer I would, because summer is definitely the best season of all. ARROWHEAD made it successfully through the last two summers with COVID-19... but this summer we were able to bring back so many things that were limited during the pandemic. This includes not only how we ran the camp during the regular schedule, but also camp overnights, camp shows, and groups playing with other groups! It really was the best summer in several years. Campers had fun on the fields, swimming in the pools, and enjoying everything that ARROWHEAD has to offer. We will be finishing our season with lots of amazing events, including the Road Runner Race, Minute to Win It, the Land Carnival, the Sea Carnival, and our Amazing Race. I'd like to thank everyone from intermediate camp - the counselors, the JCs, the CITs, and the campers - for making this summer one of the best yet. I look forward to seeing everyone back at ARROWHEAD for the summer of 2023!

Aunt Kristen Cheney – Intermediate Camp Director

SENIOR CAMP

Senior camp has had a blast in 2022. A lot of exciting events that had been limited in the past two summers are back and better than ever. From day 1, we started with two club periods, baseball (both minor and major), newcomb, and basketball leagues. A new edition to camp has been our Stat Board. It is updated frequently with full standings, batting averages in baseball, and points per game in basketball. Our club day activities are always a hit with all the fun choices around camp that our senior campers can select from, and in addition to that, we've had outside experts come in to work with our campers in Pottery, Karate, Build a Bear, Scuba, Magic, Hands on Science, Face Painting, Robot Coding and Balloon Making. We also have taken some special Friday schedules to the max with an Amazing Race amongst our Newcomb teams, a full camp Capture the Flag, and who could forget our Rubber Band exploding watermelon activity! All of this is just from our first six weeks; we still have plenty of amazing activities yet to come. A big thank you goes out to all of our Senior Camp Counselors, JCs, and CITs for an amazing job this summer. The campers and I couldn't have had the fun times at camp without you. Lastly, the campers; you are what make Senior Camp so much fun and special. Thank you for your smiles, spirit, energy, and laughter. Can't wait to see you all back in 2023.

Uncle Scott Olster – Senior Camp Director

CITs

Our CIT summer is going strong. The CITs are really enjoying spending time with their bunks and learning the ins and outs of being a JC. They are really bonding with their campers and helping them to develop lifelong memories. We have been having a blast going on weekly field trips, which have included: TreeHouse World, West Chester Escape Room, iFly, TopGolf, SkyZone, and a Wilmington Blue Rocks game. We are looking forward to the remaining trips which include: tubing down the Brandywine River and Hershey Park. The CITs have also been having a great time during our Friday Team Building activities. We are so excited to see these CITs next summer as All Star JCs.

Aunt Kristen Cheney CIT Director

BACKWARDS DAY

Backwards Day at **ARROWHEAD** was a day of reversals! Campers dressed backwards, inside out, upside down and crazy! Bases were run in reverse, horseback riders sat backwards, and kids even walked backwards to activities! Although no one has yet mastered the art of swimming backwards, it was still a great day! Older bunks even did a counselor swap! What a day of mixed-up, backwards, inside out fun! The kids loved the silliness of the day! Everyone was straightened out by lunchtime, but we all look forward to doing it again next year!

JUNIOR OLYMPICS

The Junior Olympics were held on July 25th and July 26th of this year. On the first day, campers participated in the Opening Ceremonies, which included the passing of the Olympic Torch and presentation of countries. On the second day, campers represented Ireland, England, Israel, America, Germany, Japan, France, Italy, Poland, Belgium, Finland, and Denmark as they participated in relay races. After a long day of competition, the campers received Olympic medals for their effort and spirit. The two days were exciting and fun for all campers and counselors.

ARROWHEAD 2022 Bunk Picture Update

It was a terrific day back on Wednesday 7/1 when all **Arrowheaders** received their new **ARROWHEAD** t-shirts and brought their brightest smiles with them for picture day. We are currently developing all photographs. Watch your mail in mid-September, as all Arrowheaders who were in attendance that day will be receiving their 2022 8X10 glossy bunk picture. Here's to memories in the making!

PROPER FOOTWEAR AT CAMP

We are informing all of our parents that **sneakers** and **sneakers only** are the appropriate footwear for your children to wear during our camp day. Any types of sandals, flip-flops, pool shoes etc. are not only inappropriate, but also dangerous. Our campers are engaged in various activities including running, jumping, climbing, etc. and sneakers are for these endeavors. Parents, we ask you to please follow our advice for the safety of your children. Thank you.

SOMETHING SERIOUS- SOMETHING SWEET!

Due to the safety of our campers we ask that all food, snacks and treats be kept at home. We have many campers with severe allergies of a critical nature and need this policy to be strictly enforced. We appreciate your cooperation and understanding. If your child is having a birthday, and you want us to give freeze pops, please send an email to the office.

ARROWHEAD HAPPENINGS

ARCHERY

Archery has been amazing at Arrowhead this year! This is my 13th year at Arrowhead and the skills these campers have for archery is amazing! The return campers are coming back with gusto and the new campers are picking up the needed skills quickly! Throughout the last six weeks of camp, I have seen campers go from not knowing how to hold a bow to winning with the highest points in their bunks! This week is tournament week where campers shoot one round of five arrows each and the high scores will earn top honors as the best archers at camp! I can't wait to see how great these campers can get in the next few weeks!

Uncle Joel

MARKSMANSHIP

This being my fourth year as Marksmanship specialist, I still get a great feeling being part of this wonderful staff and getting to see our campers experience and transform from not knowing how to shoot, or for some what a pellet gun was, to learning the safety and the fundamentals to operate one. Over these last 5 weeks I have gotten the chance to see our campers grow and learn how to really handle a pellet gun and hitting the target while increasing their scores with each passing week. At camp this year marksmanship awarded our kids for their improvement on shooting and for trying harder each week with the DOG TAG AWARDS. These four awards are given out to the most improved shooter in their bunk, bunk high score for that day and two others where they had to shoot for a set score. There were times that all the campers were trying so hard to get the awards that they didn't even realize they were getting better. This past summer may have been the best year I have had in marksmanship so far, and I am looking forward to many more summers here with our campers and our great staff at Arrowhead.

Uncle Robert

BOATING

This year at boating has been a blast so far! We have plenty of boats for the campers to use. We have Ducky boats, Canoes, Paddle boats and Rowboats. We even have seat cushions for the really hot days! A lot of the campers have been very eager to learn how to use the canoe and get their license. While on the boats the campers can do many fun activities! Such as going out to the tower & climbing to the top. They can also go look at the turtles on Turtle Rock. With tournament week coming up & only a couple weeks left, we can't wait for even more fun at boating to end the summer.

Uncle Dawson, Uncle Killian & Aunt Julia

FISHING

Seeing the enthusiasm of the campers, especially, the 4- and 5-year old's, catching their very first fish, and the big smiles that hit their faces makes our job worthwhile. The fishing staff makes safety, while having fun, our number one priority when it comes to instruction and supervision. The lake has a small variety of fish and turtles including bass and snappers and the campers really get excited at catching the bass some being 1-3 pounders. As a matter of fact, the largest bass caught to date was a 4 pounder that was caught by a young girl. All in all, this has been a fun activity for both the staff and campers, and we look forward to doing this again in the summers to come!

Uncle Alan, Uncle Ed, Uncle Mark, and Bella

TENNIS

It's always an honor to be on the Arrowhead courts and instructing the kids how to play the wonderful sport of tennis. It has been a fantastic summer of 2022 thus far and we're looking forward to completing the final three weeks in grand fashion. Under the direction of Uncle Andy and Uncle Dylan, the campers have been working on their forehands, backhands, forehand volleys and much, much more. Watching the improvement has been such a thrill!!! We are extremely proud of the campers! After instruction each day, the campers have been rewarded with popular games such as "Jailbreak" and "King of the Court." Even during these fun games, the campers continue to work on their strokes. Thank you so much to Uncle Brian and the entire Arrowhead staff for allowing us this platform to teach the campers the great game of tennis!

Uncle Andy and Uncle Dylan

ARTS & CRAFTS I

Hi my little artists and crafters! We've had so much (messy) fun creating button art, jellyfish, dragonflies with clothespins, sun catchers, wooden animals, perler beads, rainbow loom, non stop beading and gimp! Our older bunks had a blast decorating sunglasses and are working really hard on the background for the Harry Potter play. Tie dye week was so much fun & everyone's projects came out awesome! Can't wait to keep creating with all of you!

Aunt Sam

GYM / PE

This summer at Camp Arrowhead, the excitement and participation from ALL of our campers have been more significant than ever! Plenty of our first-year campers returned immediately picking right where they left after forming bonds and new friendships with their fellow bunkmates last year. This was evident throughout their participation in PE/GYM after only the first day back. For gymnastics, in particular, many of our junior and intermediate bunks enjoyed the new addition of games such as "Shipwreck", which required patience, perseverance, and an emphasis on ingenuity to accomplish victory. Arrowhead game staples such as "Capture the Flag" were given more breathing room, culminating in an expanded game that drew out participation by virtually all of our senior bunks.

A new game called "Keeper of the Castle" generated interest and a fun time not just from the campers but even from our parents during visiting days. After nearly three years of working as a GYM/PE specialist, the infectious joy from our campers never ceases to bring the best out of Camp Arrowhead!

Uncle Dave

CULINARY ARTS

Culinary Arts this summer has been filled with tasty treats for all to enjoy! We have made everything from melty pizza smiles to sweet, tasty Oreo sushi. Along the way we are reading stories and learning how food and friendship go hand in hand. All of our recipes are fun, kid-friendly and easy to make at home.

All of our campers, from the smallest Squabs to the sparkling Sapphires, are having a great time making delicious delights and sampling our terrific treats. We love sharing our kitchen tips and tricks, and filling hearts and bellies as we go!!

Aunt Ruth

DRIVING RANGE

Throughout the duration of the camp, each bunk has been provided with an exciting experience at the driving range. Campers have enjoyed different activities such as golf-ball, golf relay races and also just good old driving range. With each passing week, I was very proud to see how each camper improved their skills and came along at the driving range. As we come to an end I can't wait to see what everyone has left in store.

ELECTRONIC POLICY

One of the best, if not the best part, of summer camp is being able to enjoy the great outdoors. This is especially true with the winter we just had which trapped us indoors. Add to this that our children have spent so much time sitting in rows with pencil & paper and taking standardized tests, and they really need to be participating in all that **ARROWHEAD** has to offer so we respectfully request that all cell phones, mp3 players, tablets, etc. stay at home where they will be "safe & sound."

UNCLAIMED CLOTHING

Unclaimed clothing and other belongings left behind after camp ends will be on display from Saturday, August 13th through LABOR DAY in our Arena area in the playground. Please feel free to take a ride out anytime and browse through these items- you may find what you've been looking for!
