## Junior Camp

The cold weather months haven't stopped me thinking about the summer of 2023. The summer of 2023 was by far, the best summer in a long while. I remember the first day of camp, like it was yesterday. So many nervous junior campers not knowing yet what an incredible summer they would have. It took some time, but we all got into our routines, met some amazing friends, and found our favorite activities at Arrowhead. The junior campers excelled at so many activities, like gaga, mini golf, batting cages, pioneering, and fishing. All our junior campers loved our daily schedules at camp, but they especially loved our special events, like Halloween Day, Pajamas Day, and the Junior Olympics. Last summer, the Junior Camp had their first ever Paint U Party. The campers (and the counselors) had such an amazing time dancing to their favorite songs, while getting painted in a safe and fun way. Our junior campers loved watching our Friday Shows, and especially loved Jungle John, Silly Joe, and Puppets Pizzazz. The last week of camp was jammed back with exciting activities. We had the camp show, Willy Wonka, the Land Carnival, the Sea Carnival, the disco, field day, and the award ceremony. I think back fondly to all the smiling campers faces, the laughs, and all the amazing memories from the summer of 2023. We wouldn't have had a successful summer without all the junior camp senior counselors, JCs, and CITs. They made sure that every camper was happy and safe each and every day. I know in a few short months, the fun will start again at camp. I look forward to seeing everyone

AUNT CARRIE CHAITT ☺- JR Camp

## Intermediate Camp

As we watch the seasons change from Fall to Winter and then to Spring it means one thing to all of us "Arrowheaders".... Camp is right around the corner. We have our countdown clock that starts on the last day of the summer season and ticks away until we meet here again on the grounds of ARROWHEAD. I am so excited for the summer of 2024, as I know every year brings new adventure and fun. I look forward to seeing familiar faces as well as new ones as we embark on a new summer of fun!

Looking back on 2023 we ran, swam, and played the days away. We had shows, we had events, and we had our annual Color War. We enjoyed the swim and land carnival and Kona, and who could forget the excellent Discos? We also made more life long friends that we may not see all year long, but when the vans start to arrive in June all of those friendships will pick up right where we left off. I can't wait to see everyone this summer, and my countdown will continue to get smaller and smaller, making me happier and

happier as the summer of 2024 is right around the corner! See you soon!

## Senior Camp

The summer of 2023 was epic. We marched full steam ahead throughout the whole summer of club day activities, newcomb, basketball and baseball leagues. We had two full baseball leagues with the minors and the majors each having 6 teams, we had an 8 team newcomb league. We had playoffs and a separate championship for the first 4 weeks and the last 4 weeks. We also crowned MVPs for each league at each level.

We had our annual Pentathlon, trip to the bowling lanes, the Road Runner Race, and Superstar Day was in full effect. We had a full camp Capture the Flag, we exploded watermelons with rubber bands, and had an incredible raw egg roulette competition that even had Aunt Ellen participating in. The girls senior camp got to participate in an amazing race event. What will we think of next? Feel free to email Chief Arrowhead with your ideas. This summer's senior camp staff was truly amazing. A special shout out to Angie, Bella, Morgan, Tessa, Jennifer, Mark, Dillon, Mike, Joe, Chris, and Shane for being awesome counselors. We truly have the best counselors around. Thank you to all the JC and CIT help in coaching league teams, serving lunch, and making the senior camp have a wonderful summer. We hope to see some graduating Sapphires and Sixers on the CIT list this summer. Lastly, thank you to all of the campers for giving your best effort, being great bunkmates, and having fun each & every day at camp. Some things we can't control, but if you follow those three things working hard for 10 months at school will make our two months together totally worth it! Campers, you make coming back to camp each summer all worthwhile for everyone listed above. Good luck during the rest of your school year and we look forward to seeing you all back again during the warmer months ahead.

## TRANSPORTATION

Transportation Department once again had some last-minute issues when one of our suppliers let us know the week before Camp started that they would not be able to get us the 15-passenger vans they had promised. However, thanks to Uncle Brian the crisis was avoided, and things ran smoothly from then on!

Once again, our BUS STOP option was utilized by many families which greatly streamlined some of our largest routes. Thank you to those parents who took advantage of this! We have seen an annual increase in the number of families taking advantage of this which has made our job much easier.

As we look forward to the 2024 Season, we have already completed much of the work planning out the routes and assigning Campers to our various forms of Transportation. We have also secured the necessary number of 15-passenger vans from our most reliable source to avoid the problems we've had over the past two years. We are planning on utilizing 18 total buses (28-, 48-, and 72-passenger), 19 15-passenger vans and 3 minivans. These numbers will necessitate the expansion of the paved area for our "Van Parking Lot," but will be well worth it. As many of you continue to share by word-of-mouth and Social Media your positive experiences with ARROWHEAD, our enrollment remains strong. Your continued support will assure that ARROWHEAD remains "A Child's Paradise!"

## FOOD FOR THOUGHT

After 68 summers of feeding our happy campers, I can truly say the Mess Hall is the place at camp where everyone comes together. Our Mess Hall was completely renovated for 2022 with brand new equipment, flooring, lighting ceiling and sound system to go with our brand new A/C in 2021. Our campers and staff still enjoyed chowing down on classics like French bread pizza and grilled cheese, and also couldn't get enough of some of our newer menu items like pasta & cereal everyday! Lunch would not be possible without our lovely staff, Aunts Joanne, Debbie, Lilyan, & Rebecca who took pride in seeing everyone enjoy their daily meal, Uncles Chris, & Zack's hot dog skills and expertly crafted bug juice really made the Mess Hall the place to be! I have enjoyed watching the happy campers eat and savor their meals. The Mess Hall is the place where everyone comes together to share meals and make memories. It has been an honor and a privilege to preserve this camp tradition.

AUNT JOANNE MULHOLLAND

## AQUATIC UPDATE

As the approach of the 2023 summer season nears, ARROWHEAD'S pool staff is feeling the anticipation of another fabulous summer. The swim schools are awaiting the arrival of new and returning swimmers and the water slides and diving boards are hoping to see the excited faces of all those Deep Water Swimmers. The instructional morning program uses the best teachings & techniques from the American Red Cross. We have 10 swim schools; teaching strokes from beginner through intermediate and up to advanced. As children progress through our system, swim cards are mailed home to show parents the skills mastered by your child. Children use their skills learned in the morning during afternoon swim, which is filled with fun as our intermediate and advanced swimmers use the brand new water slides and diving board. Beginning swimmers gain confidence as they see how much fun the water can be. The addition of safety bracelets make monitoring even easier! Keep safe and stay well! See you very soon!

## CITs

The summer of 2023 was a great one for our CIT program. We had a great group of graduating campers, as well as some new faces to make this group complete. Each CIT had a weekly assignment with one of our bunks, as well as some CIT time with each other. We did team weekly Friday bonding (where the challenges were tough, but fun), and we traveled on weekly trips to help bond even more. Our travels took us to Treehouse World, Top Golf, WC Escape Room... and many more. Our final trip was a fun filled day at Hershey Park where everyone had a blast. Throughout the summer, while not traveling, our CITs worked with bunks and seasoned JCs and Counselors to learn the ins and outs of being a JC at ARROWHEAD. They served lunch, helped with sunscreen, and helped to make the games at ARROWHEAD even more fun. We are looking forward to watching these CITs stay with us, and grow into all star JCs at ARROWHEAD. We can't wait to see who will be joining our CIT program for the summer of 2024!

# SPECIAL EVENTS

## COLOR WAR

Color War was back in full swing in 2023 and it started out with a bang. Despite a cleverly planned fake break where our campers believed it was going to be the sixers vs the eagles the day prior, the helicopter landing on the fields 2 and 3 with Aunt Alana and Uncle Dillon surely made up for it with loads of excitement. We had a senior camp marathon, intermediate camp and senior camp swim carnivals, intermediate camp minute to win it and of course the granddaddy of them all, the Songfest competition. This year was so special because we didn't have the surprises of so many first timers in color war, all of the campers were ready to perform, and perform they did. This year featured the Green Team Outer Space vs. the White Team Under the Sea and it ultimately came down to the Songfest where the White Under the Sea were victorious in one of the closely contested outcomes in recent history. Thank you to Angie Buonanno, Morgan Ferry, Keith Johnson, Bella Buonanno, Alana Morinelli, Aaron Kirk, AJ Dicus Anthony Joines, Liliana Gribben, Ashley Wald, Marc Garcia and Dylan Crews for being sponsors and for making the event so special.

## PENTATHLON

The Pentathlon proved to be one of the highlights at the end of the summer. The Pentathlon is a true test for specially picked out campers that excel in all five events. The competition is grueling with big leads evaporating and no matter the age or experience this race doesn't follow the usual script. Included in this series of events are swimming, running, boating, archery, and marksmanship. The participants began their journey at Uncle Dave's pool where they swam two laps. They then ran towards the lake and competed on the canoe course. Once the boats docked the participants then ran to Uncle Joel's Archery range where the participants tried to pop a balloon located in our yellow bulls-eye area, before the winner was decided at Uncle Rob's Marksmanship range. As usual, the races were unbelievably close and a big congratulation goes out to all of the competitors for a job well done!
