Director's Corner

As we gear up for the summer of 2025, I wanted to reflect on the past 70 year history of Arrowhead but also the future of our camp. For the last 41 years, since I was 2 years old, Arrowhead is where I have spent my summers. For those 8 special weeks each summer, Arrowhead has always been my home away from home. It is such a special place not only to me, but hundreds of campers, staff and parents each summer.

My grandfather, Alfred Gilbert, started Arrowhead when it was nothing more than a polo field way out in the suburbs. He knew he always wanted to own a camp since he was very young, and his dream came true in 1956 when he purchased this property that we now know as Arrowhead Day Camp. He started a legacy that has lasted and thrived for the past 70 years. My mother Ellen Gilbert and Uncle Howard Gilbert took over in 1990 and continued their father's legacy of providing camper's a safe, fun experience in the sun which they have done for the last 35 years. They left a lasting impression on our thousands of alumni who now send their 2nd and even 3rd generation campers.

In 2014, I retired from teaching to work as Head Director at Arrowhead and as we enter our 70th summer, I am pleased to announce that I am officially the new owner of Arrowhead Day Camp. Like the generations before me, this has been my dream since I was a little kid to own Arrowhead and there is nothing else I have ever wanted to do. I hope more than anything that I can continue Al, Ellen and Howie's legacy and make them proud every summer.

As I look to the future, I hope to carry on the tradition of providing all of our campers and staff a memorable summer that they look forward to attending each and every year. I want nothing more than for my kids to one day be the future face of Arrowhead. Here's to another 70 years of Arrowhead being the premier day camp on the Main Line.

"There's no place like camp".....ARROWHEAD in 2025!!!!!!

Yours for better camping-

Uncle Brian Witt

FROM YOUR DIRECTORS

Junior Camp

I can't stop reminiscing about the incredible summer of 2024! It was hands down the best summer, and I can still remember the first day of camp like it was yesterday. Our junior campers arrived full of nerves, not knowing that they were about to embark on the adventure at Arrowhead!

As the days passed, we all found our rhythm—making new friends, discovering favorite activities, and diving into everything Arrowhead had to offer. From excelling at gaga, mini golf, and batting cages to pioneering and fishing, our junior campers truly shined! And while the daily camp schedule brought fun each day, the special events took the fun to another level. Halloween Day, Pajama Day, the Junior Olympics—and who could forget the first-ever Foam Drop Party? Campers and counselors alike danced in foam to their favorite songs!

The excitement didn't stop there! Fridays were all about the shows, and Simon Sez, Ridiculous Nicholas, and the Juggling Hoffmans kept everyone laughing and entertained. As the summer drew to a close, we packed the final week with unforgettable activities—"Villains" the camp show, the Sea Carnivals, the disco, field day, and the award ceremony. Everywhere you looked, there were smiles, laughter, and memories being made.

Of course, none of this would have been possible without our amazing Senior Counselors, JCs, and CITs. They made sure every camper felt safe, happy, and included, creating the perfect summer experience.

Now, with just a few months left before the fun starts all over again, I can't wait to see everyone back at camp. Summer 2025 is just around the corner, and it's going to be unforgettable! See you all soon!

Intermediate Camp

The summer of 2024 was certainly one to remember, but the anticipation for the summer of 2025 is growing and I can't wait to get there. Every year I start my countdown to ARROWHEAD clock - we are turning the corner and our next season is almost here! Hopefully all of our 2024 campers are remembering all of the fun that they had last summer, and are also looking ahead to the summer of 2025.

As Intermediate campers we were able to explore so much of ARROWHEAD and take part in so many of the activities that ARROWHEAD has to offer. We were a part of clubs, we played in the kickball league, we were able to be cast in the camp play, and we participated in Color War! These activities were on top of the things that we did on a day to day basis, like swimming, field sports, lake fun, archery, marksmanship, art, nature study, tennis, batting cages, music & dance, computers, water fun at the car wash, and pioneering.

We made new friends and we reconnected with old friends. Our counselors Mor, Carie, Elizabeth, Caren, Tobi, Marti, Chris M, Jeffrey, Chris Q, Evan, Dawson, Dylan, Keith, and AJ made the summer enjoyable from start to finish. Our JCs and CITs helped to keep everyone happy and safe and having fun. I can not wait to see these relationships develop even further in June of 2025 when we jump off those camp buses ready to go.

For now, I am watching my countdown clock. In just a few short months we will be waiting for you to arrive and get started with your best summer yet at ARROWHEAD. See you soon!

Senior Camp

Summer 2024 was amazing. We continued our rapid pace through camp as the eldest and leaders of camp. Being the eldest carries special privileges; we had a whole summer of choice with our 2 club periods daily. We had a great summer of basketball, baseball, and newcomb leagues. 6 different champion teams were crowned in senior camp since we have a first 4 week and last 4 week champion. Did your team win? We also crowned MVPs for each sport. Is that something that you strive to be in the future?

Of course our annual activities went off without a hitch. We were able to compete in superstar earlier in the summer, but ended the summer the Pentathlon, and Road Runner Race. Our Friday afternoon fun days included exploding watermelons, raw egg roulette, and an all girls trivia competition of campers vs. counselors/JCs. Who knew our senior girls were so smart? Our senior camp counselors are the best and I would like to take this time to thank Ashley, Angie, Morgan, Tessa, Bella, Jennifer, Jerry, Mike, Joe, Anthony, Chris, and Shane. Thank you to all the JC and CIT help in all that you do as role models for our soon to be staff. At last, thank you to all the campers for giving your best effort, being camp bunkmates, and having fun throughout the summer. Doing those 3 things helped us have such a successful 2024! Continue to work hard during the school year and the summer of 2025 will be here before you know it.

TRANSPORTATION

For the first time in several years, we didn't have any issues with our suppliers getting us the vans we had reserved. YAY!! This enabled us to get the summer off to a smooth start, allowing everyone to enjoy the beginning of a great Camp season.

The BUS STOP option continues to grow in popularity, allowing us to make our routes more efficient and timelier while still allowing us to maximize our capacity. Thank you again to all of you who take the opportunity to select this option!

With our registration being completed early in September, we were able to get our basic routes laid out and reserve the needed 15-passenger vans by the middle of October. With an increase in enrollment over last year, we are looking at needing more vehicles for the 2025 Season, likely a total of 42 with 18 buses and 24 vans.

We are looking forward to another enjoyable and exciting Camp season, and thank you for trusting us with the welfare and safety of your children.

UNCLE STEVE HOUESHEL-
Transportation Director

FOOD FOR THOUGHT

After 69 summers of feeding our happy campers, I can truly say the Mess Hall is the place at camp where everyone comes together. Our campers and staff still enjoyed chowing down on classics like French bread pizza and grilled cheese, and also couldn't get enough of some of our newer menu items like pasta & cereal everyday! Lunch would not be possible without our lovely staff, Aunt Rebecca, Ivory, Shay, Joanne, Lori, & Deb who took pride in seeing everyone enjoy their daily meal, Uncles Tom, Matt & Lamont's hot dog skills and expertly crafted bug juice really made the Mess Hall the place to be! I have enjoyed watching the happy campers eat and savor their meals. The Mess Hall is the place where everyone comes together to share meals and make memories. It has been an honor and a privilege to preserve this camp tradition.

AQUATIC UPDATE

As the approach of the 2025 summer season nears, **ARROWHEAD'S** pool staff is feeling the anticipation of another fabulous summer. The swim schools are awaiting the arrival of new and returning swimmers and the water slides and diving boards are hoping to see the excited faces of all those Deep Water Swimmers. The instructional morning program uses the best teachings & techniques from the American Red Cross. We have 10 swim schools; teaching strokes from beginner through intermediate and up to advanced. As children progress through our system, swim cards are mailed home to show parents the skills mastered by your child. Children use their skills learned in the morning during afternoon swim, which is filled with fun as our intermediate and advanced swimmers use the brand new water slides and diving board. Beginning swimmers gain confidence as they see how much fun the water can be. The addition of safety bracelets make monitoring even easier! Keep safe and stay well! See you very soon!

CITs

2024 proved to be another successful year for our CIT program. Not only did we have many returning campers join our program, but we also had brand new faces to **ARROWHEAD** as well. Each CIT had a weekly assignment with one of our bunks or specialties, as well as some CIT time with each other. We did team weekly Friday bonding (where the challenges were fun), and we traveled on weekly trips to help bond even more. Our travels took us to Treehouse World, Arnold's, WC Escape Room, a Blue Rocks Game, Tubing down the Brandywine... and many more. Our final trip was a fun filled day at Hershey Park where everyone had a blast. Throughout the summer, while not traveling, our CITs worked with bunks and seasoned JCs and Counselors to learn the ins and outs of being a JC at **ARROWHEAD**. They served lunch, helped with sunscreen, and helped to make the games at **ARROWHEAD** even more fun. We are looking forward to watching these CITs stay with us, and grow into all star JCs at **ARROWHEAD**. We can't wait to see them take what they learned into our JC program in 2025 and we can't wait to see who will be joining our CIT program for the summer of 2025!

SPECIAL EVENTS

COLOR WAR

Despite rumors of it not happening, Color War was back at Arrowhead Day Camp in 2024. Who knew our Color War sponsors were hiding behind horses during the Road Runner race to run out in their Olympic gear to set off our Summer Olympics vs. Winter Olympics show down? As they ran past Batting Cages and Art 2 we all headed to the football field through a fog of snow and bubbles galore thanks to our snow and bubble machines. But the best surprise came from up the hill past the new car wash.... Fireworks!

We had a senior camp Marathon, intermediate camp and senior camp Swim Carnivals, intermediate camp Minute It to Win It and of course the granddaddy of them all, the Songfest competition. An extremely tight battle throughout the whole week of Color War came down to the Songfest and our campers didn't disappoint. All of the judges were blown away with the campers amazing voices, accuracy, and team cohesion. Shout out to all of our Color War sponsors (some of whom were in your shoes as campers years ago) Angie Buonanno, Morgan Ferry, Bella Buonanno, AJ Dicus Anthony Joines, Ashley Wald, Dylan Crews, Nick Bowles, Noah Kirkland, Sophia Holinsky, Katie Olafson, and Alden Gilbert. Will we have Color War again this year? I guess we'll all have to wait and see!

PENTATHLON

The Pentathlon continues to prove to be one of the highlights at the end of the summer. The Pentathlon is a true test for specially picked out campers that excel in all five events. The competition is grueling with big leads evaporating and no matter the age or experience this race doesn't follow the usual script. Included in this series of events are Swimming, Running, Boating, Archery, and Marksmanship. The participants began their journey at Uncle Dave's pool where they swam two laps. They then ran towards the lake and competed on the canoe course. Once the boats docked the participants then ran to Uncle Joel's Archery range where the participants tried to pop a balloon located in our yellow bulls-eye area, before the winner was decided at Uncle Rob's Marksmanship range. As usual, the races were unbelievably close and a big congratulation goes out to all of the competitors for a job well done!
