## NATURE

We are having a good time at nature this summer ! So far we have made nature journals filled with leaf rubbings and nature drawings! We also decorated our own flower pots and planted beautiful wildflowers! For Fourth of July week we made beach in a bottles which included sand, sea shells, and some bunks added water ! The kids enjoyed playing in the baby pool full of sand and looking at different sea shells! Finally this week we are making bird feeders! The kids are covering pinecones in sun butter and then rolling them in bird seed! We added string so your birds at home can have a nice treat hanging from the trees! We are also getting to enjoy our animal friends ! We have two guinea pigs named S'mores and Caramel - three leopard geckos named cookie dough, Mike Wazowski, and Sully - and a tortoise named Squirtle. We also sometimes get guest appearances by Aunt Sharon's 4 foot ball python named Lizzo! We are looking forward to so much more fun the rest of the summer!

Aunt Harley & Aunt Sharon

## PIONEERING

What a great first half of summer camp it's been at Pioneering this year! With updated equipment and new challenges, the kids are zipping and climbing all over the place! Just like in previous years, we have three full zip lines going, including thunder, lightning, and our camper favorite, Big Z! We also have four unique rock walls, something for every level of climber to enjoy. Adding to their outdoor experience is our more challenging obstacle course activities, including a 30 foot cargo net, our raised balance beam (which we so affectionately call the "Catwalk"), and our high vine tightrope walk, Pirate's Crossing!

For the kids looking to stay a bit closer to the ground, we have our lower ropes obstacle course. Here our campers stay harness free, but still get the rush and thrill of physical accomplishment! This area includes a left to right climbing wall, a cargo net, tire swings, and a suspended rope bridge. We're already so proud of all the campers, and can't wait to see what else all the kids accomplish the rest of the summer. From our junior campers straight through our CITs and JCs, Pioneering is one of the most exciting stations at Arrowhead. So enjoy the rest of summer, and we'll see you at Pioneering!

Warmest Regards,

Grandpa Josh, Aunt Shannon, Aunt Katie, and the Entire Pioneering Team!

## Music & Dance

If you want to be "Evil Like Me" you should "Be Prepared" for an amazing show from Arrowhead Music and Dance this year, as we pay tribute to your favorite "Villains". You will be "Chilling like a Villain" at the show on the last week of camp. From Maleficent to Darth Vader all the bad guys get there say. Only a "Poor Unfortunate Soul" would miss it. Aunt Brittney, Aunt Jackie and Khamanie keeps the camps toes tapping and feet stomping with some unbelievable dance routines. Disney fans will not be disappointed at Junior camp, as they move and groove to all of your favorites. Intermediate and Senior bunks are rockin' some modern day classics. All that and some mind blowing Dance and Theatre games are keeping the drama alive at camp, in the best way possible!

Uncle Jonathan, Aunt Brittney, Aunt Jackie and Khamanie

## COMPUTERS

Computers has been a "cool" place to be this summer! The campers are loving their usual favorites on the X-Boxes and Wiis...including Minecraft, Wii Sports, and Just Dance. They have also been enjoying the new addition of our Infinity Tables, playing classics such as Life, Guess Who? and Operation. Of course, we also love to see them chilling out on the tablets using apps like Barbie Magical Fashion and Geometry Dash. Game on!

Uncle Tim & Aunt Amy

## HORSES

Giddy up campers, Welcome back to Arrowhead stables we are so excited for another fantastic summer. We have six ponies this year, Sparrow, Max, Chubb, Pistol, Gopher, and Squidward. We are learning safety, how to steer our ponies, how to stop and go nicely, and Riding bare back. We play games like red light green light, Pony trivia, and do obstacle courses with cones and ground poles. We also will be braiding, grooming, and learning to tack up the horses on rainy and hot days. We love to see all of our campers improving their skills and riding independently each time they come up to their lessons. We cannot wait to keep learning more! Have a great summer campers.

## ARTS & CRAFTS II

Welcome Summer 2024!

Hello Arrowhead campers and families!

This summer the art cabin is overflowing with creativity!

We have been busy making fancy crowns and ruling the campus! Friendship beaded bracelets are always a hit with all ages! We have made duct tape wallets and purses, and perler bead masterpieces. We will be doing some weaving, and learning how to make string friendship bracelet patterns. We can never get enough of gimp (plastic lanyard). You can search up many of the gimp stitches on YouTube. The box, butterfly and zipper stitch are the most popular! Rainbow loom is still very popular and even our junior campers are getting the hang of it! We are making Hawaiian leis, sea creatures and popsicles.

We love listening to music while we create. This summer we are rockin' out to the Phillies walk up songs, Disney music and of course we are still in our Taylor Swift era ( to name a few). Yes, the campers do sing out loud!

Aunt Robin- Art II

**WEEK 6 is TIE DYE WEEK.....PLEASE send a white t-shirt during WEEK 6 in a PLASTIC LABELED ZIPLOCK BAG!!!**

## BATTING CAGES

Kids at camp eagerly use batting cages to hone their skills, ranging from novice to expert. The cages buzz with excitement as each child focuses on perfecting their swing and technique. While waiting for their turn, kids engage in other fun games, fostering camaraderie and teamwork. This blend of practice and play creates an enriching and enjoyable experience, enhancing their love for the sport and building confidence in their abilities.

Uncle Jordan

## SPORTS LOGO DAY

**ARROWHEAD** Campers wore their favorite team jerseys on Sports Logo Day. Some campers wore professional teams (lots of super bowl champ Eagles shirts), college teams, and even their own local league teams to camp to show their pride! Uncle Brian was so happy to see so many BUCKEYES shirts represented! Maybe someday our campers will attend the universities they wore on their t-shirts! (and maybe some of them will even become professional athletes). To think it all started here on the fields of **ARROWHEAD!**

### PROPER FOOTWEAR AT CAMP

We are informing all of our parents that **sneakers**, and **sneakers** only are the appropriate footwear for your children to wear during our camp day. Any types of sandals, flip-flops, pool shoes etc. are not only inappropriate but also dangerous. Our campers are engaged in various activities including running, jumping, climbing etc. and sneakers are for these endeavors. Parents we ask you to use common sense and please follow our advice for the safety of your children. Thank you.

### FOOD, SNACKS & TREATS

Due to allergies, NO outside food will be permitted. If your child is having a birthday during the summer, please let know if you would like us to sing and provide popsicles.

Thank you

### NURSES UPDATE....ALL IS WELL

We are looking forward to a happy and healthy summer. The infirmary staff provides lots of TLC to all those children with bumps, bruises, splinters, tummy aches and whatever else pops up.

All medications must be sent to the infirmary in the original prescription bottle with the label intact. Please include a note stating the period of time the child should receive the medication.

Please return all medical forms as soon as possible. This is for the health and safety of all our children.

We will be communicating with our parents by sending out individual bunk news e-mails & photos. These weekly e-mails will contain specific information for the campers bunk (upcoming special events, what to wear, and bring in, etc.) along with newsy notes and tidbits of information of the prior week. We also will be uploading weekly photos & videos of our campers in action to their individual bunk pages on the Arrowhead website. Easy access links will also be included. Our commitment to keeping parents informed of all things **ARROWHEAD** along with our high-tech connectivity keeps **ARROWHEAD** the leader among area day camps. If you are unsure whether or not you supplied us with your family e-mail address, please call us to confirm. We are capable of sending our e-mails to multiple addresses- just let us know and we will add as many e-mail addresses as you request. We will also be utilizing this method to communicate to our **ARROWHEAD** families in the rare event that should an emergency arise along with any other vital information that we deem necessary throughout the summer and the off-season. We thank you for your cooperation.

**ELECTRONIC POLICY**

One of the best, if not the best part, of summer camp is being able to enjoy the great outdoors. This is especially true with the winter we just had which trapped us indoors. Add to this that our children have spent so much time sitting in rows with pencil & paper and taking standardized tests, and they really need to be participating in all that **ARROWHEAD** has to offer so we respectfully request that all cell phones, airpods, tablets, etc. stay at home where they will be "safe & sound."
