NATURE

It's been an exciting summer of discovery in the Nature Center! During Week 1, campers stepped into the role of pollinators in our interactive "*Be the Bee*" game, learning how bees, butterflies, and other pollinators help plants grow and reproduce. In Week 2, we explored the incredible importance of plants, uncovered the mysteries of photosynthesis, and planted seeds to take home and grow. Hopefully they have sprouted and are able to be planted into your gardens! Week 3 focused on the fascinating world of insects, where campers used digital microscopes to examine insects up close and learned about the many important jobs insects perform in nature. This week, we're getting our hands dirty with worms! Campers are digging for worms, observing them up close, and testing their knowledge with fun *Myth or Fact?* challenges. Did you know that worms can't actually be cut in half and grow into two worms? In between our explorations, we have taken time to play with, hold, and care for all the critters - fluffy and scaly - in the nature building. We can't wait to see what discoveries the rest of the summer will bring!

PIONEERING

One of the most rewarding parts of our summer at Pioneering is watching the friendships and confidence that grow as campers encourage one another through new challenges. Every day brings new opportunities to celebrate personal accomplishments, whether campers are soaring down our ziplines *Lightning*, *Thunder*, or *Big Z*, climbing our 30 foot cargo net and climbing walls, or testing their balance on *The Catwalk* and *Pirate's Crossing*. For those who prefer to stay closer to the ground, our low ropes course offers exciting challenges that build teamwork, perseverance, and confidence without the use of harnesses.

As we begin the second half of the summer camp, we're excited to see campers continue to step outside their comfort zones, support one another, and discover they are capable of more than they imagined. We look forward to many more high-fives, cheers, and celebrations as the adventure continues at Pioneering!

Music & Dance

"Arrowhead Rock" is not just something your kids say when they get home—it's also this year's camp musical! Join the campers during the last week of camp as they save the camp through the power of community, rock and roll, and dance. Everyone is welcome to attend what promises to be our best show ever.

On that "note", the Music and Dance department is taking things to the next "step" as the camp talent show gets into full "swing". Songs from pop stars of the 90s and 2000s will fill the air during Week 6.

The fun and games are non-stop, and we have already shared some amazing stories in our improv and theater games classes. It has been a great summer so far, and we are just getting started!

Keep rocking,
Uncle Jonathan, Jules Jeanette, Belle, and Khamandie

COMPUTERS

Computers continues to be the *coolest* special at Arrowhead. There has been some fierce competition on Wii Baseball while others have been flashing their moves on Just Dance. I've been very impressed with the collaborative play in games like Minecraft and Kirby. Junior campers are picking up the controllers, too, racing Lightning McQueen and completing missions with the Paw Patrol. We are hoping to coordinate some tournaments in the coming weeks as we continue to be the campers' respite from the heat and physical activity.

HORSES

Giddy up campers, Welcome back to Arrowhead stables we are so excited for another fantastic summer. We have six ponies this year, Dude, Max, Pistol, Mr. Goodbar, Bonaza and Elmer. We are learning safety, how to steer our ponies, how to stop and go nicely, and Riding bare back. We play games like red light green light, Pony trivia, and do obstacle courses with cones and ground poles. We also will be braiding, grooming, and learning to tack up the horses on rainy and hot days. We love to see all of our campers improving their skills and riding independently each time they come up to their lessons. We can not wait to keep learning more! Have a great summer campers. **Aunt Debbie, Aunt Danielle, Uncle Phil, Aunt McKenna (JC), Aunt Bella (JC), Aunt Maddie (JC), Aunt Siyana (JC).**

ARTS & CRAFTS II

It's summer 2026 in the new air conditioned upgraded art cabin! Don't worry, the disco ball is still there and Cooper MooJean the cow is guarding the cabin! This summer you can find the campers weaving, creating and bedazzling! We always have a whole group art activity running each week, but there are always other options such as beading, rainbow loom, t-shirt yarn, gimp, and string! Something for everyone! We have made crowns, friendship bracelets, decoupaged shells and dream catchers to name a few projects. The baseball beads are still a hit with the boys and the girls are busy bedazzling anything and everything they can find! I am always fascinated with the boys and their love of rainbow loom! (You can find the beads, bedazzle kits and rainbow loom kits on Amazon.)

We are having a blast creating works of art!

WEEK 6 is TIE DYE WEEK during bunk art period.....PLEASE send a white t-shirt during WEEK 6 in a PLASTIC LABELED ZIPLOCK BAG!!!

xoxo Aunt Robin

BATTING CAGES

We just wrapped up Week 4 here at the batting cages, and I couldn't be prouder of how much progress the campers have made! Campers have been getting plenty of rounds in, and we've spent time working from the basics—stance, grip, and timing—all the way up to fine-tuning swings to get kids ready for little league and tournament ball this season. It's been great watching some real "aha" moments as things start to click for them. Beyond the hitting, I've been really impressed with how well the kids work together—pitching in to clean up balls and load them back into the machines so the next group can jump right in without missing a beat. And while campers wait their turn in the cages, they've been staying active and having a great time playing kickball and wiffle ball with their counselors. It's been a fun, high-energy time, and I'm looking forward to seeing even more growth as we head into the second half of camp!

These weekly e-mails will contain specific information for the campers bunk (upcoming special events, what to wear, and bring in, etc.) along with newsy notes and tidbits of information of the prior week. We will be uploading weekly photos of our campers in action to our new **Arrowhead Bunk Photos app**. Notifications will be sent each time photos are uploaded. We thank you for your cooperation.

ELECTRONIC POLICY

One of the best, if not the best part, of summer camp is being able to enjoy the great outdoors. This is especially true with the winter we just had which trapped us indoors. Add to this that our children have spent so much time sitting in rows with pencil & paper and taking standardized tests, and they really need to be participating in all that **ARROWHEAD** has to offer so we respectfully request that all cell phones, airpods, tablets, etc. stay at home where they will be "safe & sound."
